Dear Governor,

José Adrián was simply walking home from school when he stumbled onto the aftermath of a clash between a group of youths that ended up damaging a police car. The police jumped him and threw him against their car. Aged just 14 at the time, police arrested him with no explanation and never called his parents. They took him to the police station and tortured him there. His hearing disability could have prevented him to communicate well with police during his ordeal.

We ask you to make sure Adrián gets full reparations for the human rights violations he suffered and promote justice on his case.

Yours sincerely,
