Dear President Biden,

I urge you to commute the sentence of Indigenous elder and activist, **Leonard Peltier**, and release him (Clemency Case #C296035).

Peltier is 80 years old, has serious health concerns, and remains incarcerated after nearly 50 years despite serious concerns about the fairness of his trial. He maintains his innocence.

You have the power to rectify a case that has long troubled Indigenous Peoples, former U.S. law enforcement officials, and human rights advocates worldwide, including the U.N. Working Group on Arbitrary Detention and Amnesty International.

Please release Leonard Peltier before it is too late.

Yours sincerely,
